E20

A stunning two bedroom split level apartment available within one of London's newest and most iconic developments.

With a five star hotel equivalent concierge service, this incredible development offers a perfect home for potential tenants who wish to have a luxurious living experience. This development offers so much more than a place to live, but a real lifestyle experience to those that seek it. Whether it's to have a sense of community within the building or to enjoys the best views in London, this stylish new development offers something for everybody.

The development comprises 248 eloquently designed apartments brought by the team behind Chiltern Firehouse. Manhattan Loft Gardens is a modern and luxurious skyscraper that benefits from three sky gardens, a gym, two restaurants, and a design hotel.

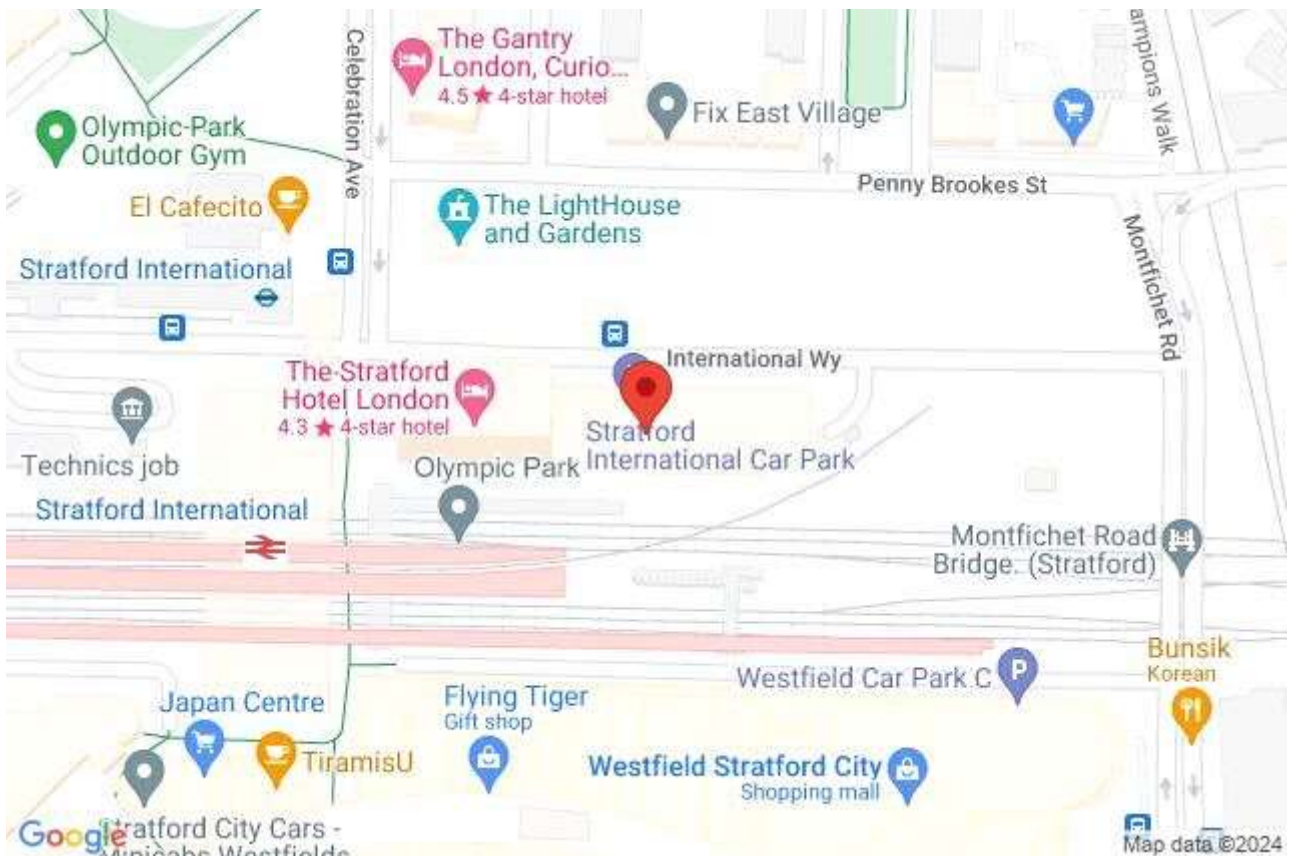

Designed by renowned architects SOM, (known for famous projects include the iconic skyscrapers Burj Khalifa in Dubai, UAE and One World Trade Centre in New York, USA) this building never fails to impress anyone who visits it.

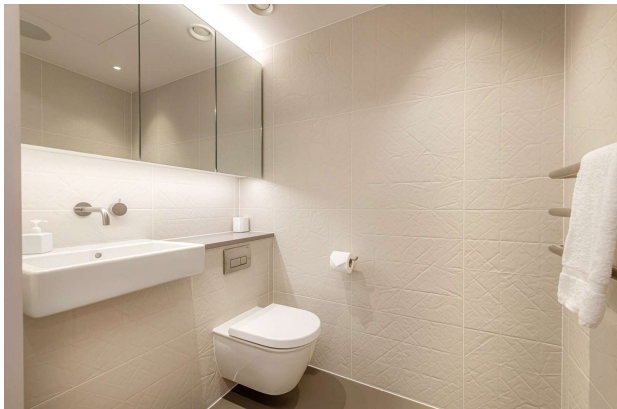

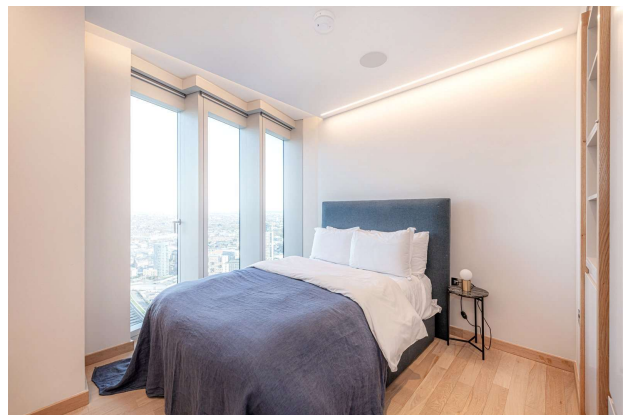

Moreover, this development is located within the Olympic Park, just moments from Stratford International Station and minutes' walk from Stratford station to access Liverpool Street in 9 minutes.
